AquaStar 125FX

Power Vented Tankless Water Heater
for Horizontal Venting Installations.

This tankless water heater from Bosch features a built-in power vent, an electronic ignition and no standing pilot. It is ideal for residential use when the installation calls for horizontal venting. And remember, going tankless means never running out of hot water again!

BOSCH
Invented for life

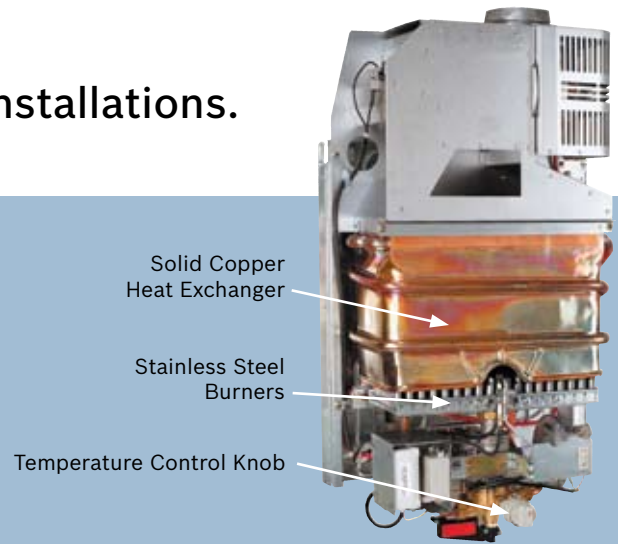

AquaStar 125FX

Power vented for horizontal venting installations.

Endless hot water for 1 major application at a time.

Features

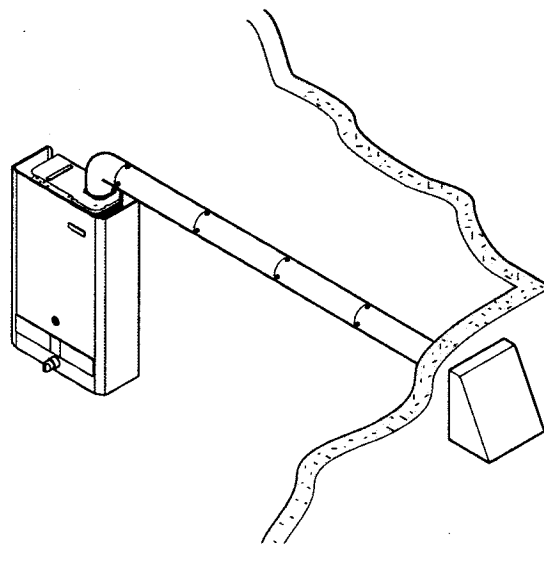

- Delivers up to 4.6 gallons per minute
- No standing pilot
- Vents horizontally
- 12-year warranty on heat exchanger – 2 years on parts
- Provides ENDLESS supply of hot water
- Saves up to 50% off utility costs
- Can simply hang on the wall
- Modulating gas valve to control temperature
- Pressure relief valve included
- CSA approved
